

# Alexander inches in, Eastland, Colmer romp

By a slim margin of 15 votes, Frank Alexander, Long Beach attorney, carried Hancock County in Tuesday's race for Democratic nomination for Post Two in the Eighth Chancery Court District according to un-

official returns from the county's 21 precincts. Alexander received 1,683 votes and Chancellor Roy Strickland of Wiggins 1,024. Unofficial returns from the other counties in the district showed Alexander leading by approximately 1,100 votes.

Despite perfect weather and the fact that the first major Negro vote in Mississippi came on Tuesday, only about 24 per cent of Hancock County's qualified voters went to the polls. According to official poll books, 4,000

persons are qualified by only slightly more than 2,000 turned out. The two Negro candidates, Lawrence Caper of Pearl River, chairman of the Mississippi Freedom Democratic Party, running against Congressman William M. Colmer and Edward A. Khayat for U.S. Representative, received 88

The one-sided distribution of votes in the county was reflected in the tally. Using round figures, approximately 65 per cent of the vote cast Tuesday in the county's five towns were

in favor of Alexander and Strickland, giving a total of 1,683 to Alexander and 1,024 to Strickland out of a total county vote of 2,707 for the same two candidates.

Longest line of the county's vote went to Sen. James O. Eastland who received 1,684. Charles F. Mosley, Jr., got 145 and Charles Whitley 61. The chairman in the race for Representative changed perceptibly since 1944, when Jackson County supervisor Khayat of Moss Point, a South Mississippi victory advocate, first attempted to unseat Colmer, then

of Mississippi's delegation in the house. Tuesday's vote was Colmer 1,418, Khayat 612. In 1944 the vote was Colmer 950 and Khayat 247. Khayat nearly tripled his vote while Colmer's was considerably less than double.

The county Democratic Executive Committee was established to canvass the precincts today, according to chairman Joseph V. Colson.

An expected, the constitutional amendment already passed by the Legislature, was ratified by an overwhelming majority, 1,682 to 267. The amendment provides for payment of expenses of criminal prosecutions before the justices of the Peace by the county in which the prosecutions are begun. As to that defendants, in cases of conviction, may be tried with the state.

Under the system provided by the amendment JPs will receive salaries for criminal cases, the fines and fees going into the county general fund. Receiving the money, however, a case resulted in a conviction.

to serve NASA's Mississippi Test Facility as an intermediate point on its current route to New Orleans.

The state aviation agency has urged the CAB to grant the exemption at the earliest possible time. It cites such action would be in the national interest because of MTF's mission and would save public funds because of travel time currently involved in MTF's international airport on the western extremity of New Orleans.

The MAC member noted that Hancock's supervisors via their port and harbor commission already have allocated \$750,000 from a bond issue to build the airport. The federal matching funds under the federal aid program have been approved by the state agency and approved by the Federal Aviation Commission.

Construction of the proposed airport will be started upon receipt of FAA approval.

And more importantly, the state of the proposed airport has been approved, airport clearance has been received and the airport layout plan is approved, the MAC brief noted.

The Picozua field, at the Mississippi Test Facility, is the proposed site of rectifying safety consideration as required by the FAA for approval of Southern's application.

### U.S. pays \$170,000 for Logtown plant

A report by attorney Walker James Phillips that the government has agreed to pay \$170,000 for Logtown School was the first bright spot in the county school trustees' hearing in a gloomy session Monday on Pearl River School problems.

The announcement came after Fred Wagner, architect, had agreed to come down to Logtown to inspect the school building. Wagner, who is in charge of the school building project, said the shortage of brick masons is responsible for building delays.

## Polly peers

Norman and Sam Caporaso, Sam's brother-in-law and Joe Ciocoppo are making plans for their upcoming month visit in Italy.

Bro. Lima returned to the coast this weekend accompanied by Bro. Gunther, (bro originally from Mobile) and two Kitty and Otto Moller's guests Sunday. They are enroute to the wild west for a vacation from Talbott College.

## W'lend welcome

We've a most interesting and attractive new couple in our midst, and hope through this means, to introduce Phyllis and Steve Farley to some young couples (really young... early 20's) who will share their interests. Phyllis and Steve, parents of adorable 18 month old daughter, Fonda, hall from Little Rock, Ark., are making their home in the lovely new house recently completed by Alvin Lader on Candy Circle (we just took the privilege of naming the new street between Adrienne Court and Grosvenor Place). Steve is with General Electric and has a roomful of auto racing trophies... he's won in slot races and with his '55 Chevy stock car... he also likes to fish and play cards... they're just real nice people... and will be a real asset to the community.

Jack Ray of the Broadview, and he still isn't poppa again, or wasn't as of Monday, says he'll pit his chef's talents against any on the coast, and he's dined all over the world. Veteran chef Eddie Fairconness and newest acquisition, Frank Cain, both hall from the Bay originally. Frank has cooked all over and is fresh from a 16 year stint aboard a large tanker, and, everyone knows, they're famed for good food. Broadview waitresses are now carrying trays in one hand or the other, as their rhyolite shots render the other almost useless.

Herman Jacobi and his pretty wife were Sunday guest of his parents, "Nookie" and Louis Jacobi.

Candy Lader received her seven year certificate at the recital of Piccola's dancing students last Friday night.

SIGHTS AND SOUNDS ALONG THE WAY - Pearly colored tents in the process of being erected by a group of very young campers on Camp Onward grounds; yellow, red and white squares of cloth tied to stakes at intervals along the seaway... they must have some purpose, we can't seem to ascertain; a brightly painted helicopter hovering above and the grinding clack of the rotors as it moves slowly off across the water.

Stealing a kiss, may be petty larceny but sometimes it's also grand.

# League lead secured by fighting Realtors

Dislodged for the top slot in Man's Softball League, Southern Realty and Trapani battled it out last Wednesday, the Southerners emerging victorious after breaking a 4-4 tie by putting over the winning run in the top half of the last inning. Final score, 5-4.

MIXED EMOTIONS - Happiness, anger and utter disbelief were registered by fans Monday afternoon at City Ball Park when, because of misinterpretation of scorekeeper's book, officials stopped game in last inning declaring wrong team winner. After difficulty was resolved, game continued and Jaycees defeated undefeated Reimann, 14-13, in Dixie Youth League baseball. (Photo by Eddie Engelhorn)

## 1st round tourney set next for Dixie

Behind five-hit pitching of Dave Worrell, Jaycees upended underdog Reimann's Feby-Warfield, 14-13, Monday night to move into a three-way tie with Merchants Bank and Reimann for the Dixie Youth Baseball League after the first round of competition.

Next on the agenda is the first round tournament starting today. At 4 p.m. Hancock Bank will vie with Industrial Enamelling and at 5:30 Reimann plays Merchants Bank. Jaycees and Gulf National drew a bye but at 4 p.m. Friday Gulf plays winner of first game and at 5:30 Jaycees plays winner of second game. Saturday at 7:30 p.m. Friday's losers play a consolation game and at 9 p.m. the winners battle for tourney championship.

In a battle of the bankers last Wednesday, Merchants beat Hancock, 11-5, to keep its record clean. Joe Paul was winning pitcher and T. Stephens, closer. Handling the hit parade for Merchants was Martin who pitched a homer in one official time at bat, also drawing a walk. Filling game was two for three Kramley, one for two; Leathers one for three and Richards, one for three.

For Hancock, Stephens got two for three including a homer in the fifth. Enamelling, catching for the Hawks, was three for three including a double. White

was one for two as was Sistrunk.

Wednesday's second game saw a vastly improved Jaycees nine beat Industrial Enamelling, 12-3, with Worrell on the mound for the winners. Fayard was charged with the loss, being relieved by Sick and Green.

For the Jaycees, Favre drew two walks and hit a triple in his one official time at bat. Worrell was 1-3 including a double. Harndon, 2-3 with a double. Anderson 2-3, including a triple, and Williams 1-3. Sick got the only hit for the losers.

Friday's first game was called because of time limit after the Jaycees scored 12 in the second inning and beat Gulf National, 16-7. Worrell got the win. Favre slammed a homer for the Jaycees and Farrell got a three-bagger for Gulf National.

In the nightcap, Reimann brought its winning streak up to four beating Merchants, 8-2, with losing pitcher Kramley on the mound. For Reimann Leathers got two singles out of three trips. Yarborough got a double and Blake a single. For Merchants, Harrington and Favre got a double and a single.

In the last half of the last inning, during Monday's game between undefeated Reimann and the Jaycees, Reimann came to bat trailing by seven runs. The lead changed a rally and pos-

## At Pearlington

# Anthony bombs barbers

Anthony's softball team, probably the most improved squad in the area and now only two games behind leaders leading Southern Realty, easily won three consecutive games Sunday to cap the winner's trophy in Pearlington Barbers' Tournament at Pearlington Municipal Park.

They beat Industrial Enamelling, 16-4, St. John, 15-7, and took the measure of host, Pearl-

ington Barbers, 15-7 in the final. Ned Hatch pitched his mace to victory in all three contests.

Other results were: Pearlington 21, Travis 9, Travira 12, Longworth 2, St. John 15, General Electric 5.

Pearlington nipped over Travira in the semi-final, 14-13, in the day's most exciting game.

The barbers were the real behind when they came to bat in the last half of the last inning winning the game by scoring seven runs before a man was out. With the score tied, 13-13, a man on third and nobody out. Pat Furry got off a long sacrifice fly, the third base runner scoring the winning run after the catch.

## In junior league

# Fight for top slot

Everyone is tied up in knots in the boys' division of the Bay Junior Softball League. Holy Name broke into the win column last Thursday over-coming an early 6-0 deficit to blast undefeated Bay Rebels, 19-7, giving each team in the league a 1-1 record.

On the disaff side, CYO leads with an unblemished record edging B & L Plumbing 6-5, in the opener Thursday. It was a close battle all the way. Coming to bat in the bottom of the sixth on the short end of 5-4 score, CYO put over two runs and then held B & L scoreless in the top of the seventh.

First batter in the sixth for CYO was Christy Everett who came through with a single. Gwen Lafontaine flew out for the first out. Rhonda Fleming, Peggy Lafontaine and Effie Weldmann were safe on errors. Everett scoring the tying run and Fleming racing in with the winner. The inning ended when Sharon Monti popped to the catcher, Nancy David walked and Mimi Monti popped out to short.

Score by innings: B & L,

0, 1, 0, 2, 2, 0 0; CYO, 0, 2, 0, 0, 2, 2. Winning pitcher, Weldmann, loser, Lucy Carver. For B & L, Karen Poolcon was three for three, Carver and Deane McCordle two for four. For CYO Everett got two hits in two trips to the bat.

In the boys' game, Bay Rebels lead 6-0 going into the third inning when they fell apart at the seams. They looked like the old Washington Senators as the ball continually slipped through their fingers while the Holy Name players roared around the bases. Then they were unable to connect during their turn at bat. It was a bad night for the Rebels who had beaten 7-Up in their opening game, a team that defeated powerful CYO last week.

Inning scores: Holy Name 0, 0, 2, 6, 2, 2, 7; Bay Rebels 3, 3, 0, 1, 0, 0, 0. Winning pitcher, Ronnie Curet, loser, Kenny Miller. For Holy Name, Jimmie Lotzmann got two for six, Andy Loup two for four and Ronnie Curet two for five. For the Rebels it was Normal Lamb and Don Freeman with two for three.

Tonight schedule to girls, Beach Drug vs. CYO; boys, CYO vs. Bay Rebels, Tuesday, June 14, girls, B & L vs. Beach Drug; boys, Holy Name vs. CYO, Thursday, June 16, girls, CYO vs. Don; boys, Bay Rebels vs. 7-Up.

## Elwood squads split 2-header with Pearl'ton

Elwood Park's Little and Pony Leagues split a double-header with Red David's Pearlington last Saturday to open the park's baseball season under supervision of Mrs. George Stelz, recreational director.

Mollere's Little Leaguers lit the fireworks by whipping Pearlington 10-1. Winning pitcher was Pat Roberson, who fanned nine, loser, G. Walker.

In Pony League play, Val Harrington struck out 13 in a losing cause as Pearlington defeated Dickson Real Estate, 2-1, behind the winning pitching of Wayne Long.

Umpiring behind the plate was Billy Murphy; at first was Christopher Bell of Mobile, and an unidentified guest from Pearlington called the shots at third.

The Elwood lads will hit the road next week, playing Pearlington at Pearlington Municipal Park. It will be Mestayer Little Leaguers and Dickson Real Estate Pony Leaguers vying with Red David's squads Saturday at 2 p.m.

damation broke loose in the crowd when, because of a misinterpretation of the scorekeeper's book, officials called the game over, declaring Riemann the winner. This action brought loose mothers and fathers to their feet in audible protest.

After the mistake was discovered, the game was allowed to continue and Riemann's rally fell one run short, final score being 14-13. Score by innings was Joycece, 0, 1, 4, 5, 4; Riemann, 0, 7, 0, 0, 6. Winning pitcher was Worrell, loser Kenny. Foye went 3-4 and scored three runs for the winners. Worrell was 3-3 and also scored three. For Riemann, Kenny and Kempf each got two hits.

In Monday's finale, Merchants swamped Gulf National 15-0 with Paul pitching a one-hitter.

Johnny and Bobby Cartwright, husband and wife singing team, are doing well with their recording of "From My Heart to My Heart" and "For Always" on the other side. In the near future they expect to cut another disc and if talent and personality mean anything they should climb to the top in the country music field.

Mrs. Viola Garcia and Mrs. Clemente Morreale had as their guests Mr. and Mrs. Ray Garcia of Metairie, La.

Visiting Harry Thomas Sunday were Mr. and Mrs. Ray Heinke and daughter, Shelly. Bill and Ora McDowell arrived at their summer place in Angley Friday with a carload of goodies. As soon as they had unpacked they started Bill's vacation off at Chink and Ruth's, then on to August and Jimmy Lechner's where they danced until the wee hours.

Dr. and Mrs. Fred Ketchum are doing some work on their summer place on Scottman's Lake, formerly the old L&N road pit.

Mr. and Mrs. Monroe Garcia entertained Mrs. Garcia's daughter and son-in-law, Mr. and Mrs. Tommy Garrotte, over the weekend.

Mr. and Mrs. Horace Garcia drove down from Waveland to visit Mr. and Mrs. Warren Garcia.

Mrs. Odessa Schwartz and Jodie came over to her summer home for the weekend bringing her niece, Patsy and Freda Garcia of Violet, La.

Louella Culbreth will have a dance every Saturday night at her Waveland place with the Southern Ramblers furnishing the music.

A late but special birthday wish goes to my little friend, Henry Monti, III, who was a big 6 years old on May 27.

The show presented by pretty Miss Norma Jean of Grand Ole Opry and T.V. fame, at Hancock North Central last Thursday evening was the best and most entertaining show seen around these parts since Flatt and Scruggs appeared in Piquette years ago. A group of Bay St. Louis and Lakeshore country music players accompanied Norma Jean for about 30 of her best songs. Tommy Moran of Lakeshore was a versatile master of ceremonies playing guitar, singing, and

Mrs. Voight hosts Presbyterian meet

Bay Oaks, the home of Mrs. A.E. Voight, was the setting for the June meeting last week of the morning circle of the women of the First Presbyterian Church. The expanding church was the topic of a talk presented by Mrs. Robert Warner, followed by a Bible lesson. The business meeting was conducted by Mrs. NA. Ranshaw, after which cooling refreshments were served.

In July the morning and afternoon circles will meet jointly.

hobby playing. George Dayon has a little, Billy Shackleton lead electric guitar. His rendition of "Duke" and "Voodoo Daddy" played at the same time tore the house down. Robert Fortino on drums and the old man himself, Jimmy Dalton, playing and singing "Mo'N Blues" from Bayou LeCade. A very clever vocal guitarist who was also a comedian, a number of guest singers, and a real old time comedian whose name I did not get, rounded out the 3 1/2 hour show. Among the group from Lakeshore enjoying the show were Monroe and Nellie Garcia, Felton and Patsey Cuevas, Earl Garcia, Louie and Sandy Green, Warren and Patsey Garcia, Clarence and Olen Moran, Mr. and Mrs. Ole Moran, Bert and Diana Courtois, Mr. Donald Marquardt, Ray Lechner, Bobbie Carver, Vic and Marie Green, your truly, Carol Garcia, R.J. Stine and a host of others.

Mr. and Mrs. August Lechner and Jimmy Lechner will have dances each Friday night with the Dixie Revelers playing and the Lechner Brothers with Mike Egan and guest singers on Saturday night.

Clinton Berry, son of Mr. and Mrs. L.A. Berry of Felicite Street, was awarded the Character Cup at grammar school diploma presentation, May 26 at St. Stanislaus College. The American Legion award for citizenship went to Joseph Monti, also of Bay St. Louis and son of Mr. and Mrs. T.F. Monti.

Other eighth grade students receiving diplomas were Robert Andrews, Harold Bartolena, Joseph Boer, Glen Calcano, Lucas Caruso, Dennis Carver, William Dwyer, Max Glendon, Jose Herrero, Charles Johnson, Cornell Lechner, Jules Lagarde, Andrew Martinovich, Conrad Maudray, Charles Mieschovich, Gregory Norton, Ronald Ouzalek, Terry Phillips, Gerald Price, George Steiner, David Taylor, Glenn Toca, Leslie Tourant, Chris Wegmann, Thomas Worrel, and Rocco Ralcan.
